

ANI Innovator Profile Series Kicks Off

The [Alliance for Nursing Informatics](#) (ANI) has launched the **ANI Innovator Profile Series**, a new program to increase awareness and visibility of the individual ANI member organizations. Each of the ANI Governing Directors will be interviewed by Joyce Sensmeier MS, RN-BC, CPHIMS, FHIMSS, FAAN, Ex-Officio Chair of ANI, in order describe how their organization contributes to a unified voice for nursing informatics.

The series launched with interviews with Dr. Linda Burnes Bolton, Dr.PH, RN, FAAN, Board of Directors, American Organization of Nurse Executives and Vicki Vallejos, BSN, RN-BC, President, American Nursing Informatics Association (ANIA) as the first guests.

A recording of each interview and a written transcript is available on the [ANI Member Organization web page](#).

The [Alliance for Nursing Informatics](#) (ANI) advances nursing informatics leadership, practice, education, policy and research through a unified voice of nursing informatics organizations. We transform health and healthcare through nursing informatics and innovation. ANI is a collaboration of organizations that represents more than 5,000 nurse informaticists and brings together 30 distinct nursing informatics groups globally. ANI crosses academia, practice, industry, and nursing specialty boundaries and works in collaboration with the more than 3 million nurses in practice today.
