

## **ANI Innovator Profile Series Interviews**

*Susan Matney Clinical LOINC Subcommittee*

*Marion Ball TIGER Committee*

The [Alliance for Nursing Informatics](#) (ANI) continues the ANI Innovator Profile Series in May. This program increases awareness and visibility of the individual ANI member organizations. Each of the ANI Governing Directors is interviewed by Joyce Sensmeier MS, RN-BC, CPHIMS, FHIMSS, FAAN, Ex-Officio Chair of ANI, and describes how their organization contributes to a unified voice for nursing informatics.

This month, featured profile interviews include **Susan Matney** MSN, RN-C, PhD, FAAN, Nursing Clinical LOINC Subcommittee Chair and **Marion J Ball**, Ed.D, FAHIMA, FCHIME, FACMI, FAAN, LFHIMSS, Co-Chair of the TIGER Committee as our guests.

A recording of each interview and a written transcript is available on the [ANI Member Organization web page](#).

The [Alliance for Nursing Informatics](#) (ANI) advances nursing informatics leadership, practice, education, policy and research through a unified voice of nursing informatics organizations. We transform health and healthcare through nursing informatics and innovation. ANI is a collaboration of organizations that represents more than 6,000 nurse informaticists and brings together 33 distinct nursing informatics groups globally. ANI crosses academia, practice, industry, and nursing specialty boundaries and works in collaboration with the more than 3 million nurses in practice today.
