

ANI Welcomes New Member Organization: ASPAN

September 11, 2014 – The Alliance for Nursing Informatics (ANI) is a collaboration of organizations that enables a unified voice for nursing informatics. Today this voice was expanded with the addition of a new membership organization: American Society of Perianesthesia Nurses (ASPAN). ASPAN represents the interests of nurses who specialize in preanesthesia and postanesthesia care, ambulatory surgery, and pain management. With over 15,000 members and growing, ASPAN is the only professional organization dedicated exclusively to the practice of perianesthesia nursing.

Current ANI membership organizations include:
